# 10U Colocation in Equinix DC10 Ashburn

Equinix campus in Ashburn, Virginia is the most interconnected location in US and an ideal choice to serve content to East Coast consumers.

**1 Year Commitment - Price per Month**

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
