

Full Rack Cabinet Colocation in CoreSite LA2 Los Angeles

CoreSite's LA2 data center provides unmatched scalability within the Los Angeles market. Comprised of nearly 425,000 square feet of data center space and tethered via high-count dark fiber to CoreSite's LA 1 (One Wilshire) data center, LA2 offers customers room to grow. Being connected directly with to Coresite LA 1 it offers the access to Any2 Internet Exchange that has over 235 networks connected that exchange traffic increasing quality and lowering IP transit cost.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
