

Full Rack Cabinet Colocation in CoreSite VA1 Reston, Virginia

CoreSite's Northern Virginia is designed to create a reliable, high-performance option for enterprises, networks and cloud service providers looking to expand and reduce costs, CoreSite's Reston colocation campus provides direct, low-latency access to and from Ashburn and Washington DC.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
