

HP Proliant DL380p Gen8 (2xE5-2690v2) 8-LFF

The best performance and reliability a company budget can buy. The two new 10-core Intel processors are matched by fast 1866MHz ECC memory to handle the 2x10Gbps network connectivity and fast storage. This server will perform well in all scenarios.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
